

# **EXHIBIT 21**

Meeting

(1)

Vp medical

System Admin

Ken's Riddle - ~~What's this?~~

Case Cunningham

ELD Guru!

Thom Smyth

Presented me with the ELD Book  
(LTH edition 2018)

Marcia Buesch

Discussion Prior to Start -

Agenda for meeting? - (No)

My Story about Hospital in Alabama -

3rd pregnancy, FET x3 34 weeks gest

Didn't know couldn't have a tube ligated

Couldn't find it on the website

Goal - Learning opportunity for SJMC

Confusion of lack of understanding of ELD  
How can we get message to Staff?

Smyth: Don't want it to happen Again

How can we be transparent to the medical Staff

- ~~How~~ ~~And~~ ~~since~~ ~~the~~ ~~time~~ ~~limited~~ ~~knowledge~~ ~~of~~ ~~ELD~~

Get our point of view about education +

Awareness of medical Staff

Feel Bad for PT -

How can we change process

My? - Is the SJMC ELD similar to Mary? (GSH)

- I didn't see consis journey -

List Procedures to do / not to do?

How by Hosp, or from on High

Who makes these decisions

2

Riddle All Hosp follows Sanctus

If Reported - Arch Bishop has the ability to Revoke  
Catholic Identity - PR Nightmare!

We need to be sure that the ERDs on website  
what we do not do @ St Joes

Monitored Regularly by Archbishops -  
Codes Reported → Can terminate Privileges of MD

We are not discriminate against trans Community  
- Has a trans male Give birth - No Contraindication  
ED, visit - treat them

Worst do Remove a healthy organ #53  
Mutilate the Body in Any way #29

Dr Smith - Inconsiderate at Hospital - Did I seek  
it

Adams - Greater "6th edition" 7/2018

money - 1983 - Tubal Comm Nee Age x Parity > 160 - Got A  
No education as to how my A in ERD relates to  
OB/Gyn Surg/ Breast Surg -  
No Education so the ERD has evolved

Carl - What's the best way to educate

See <sup>very</sup> Procedural + Dr Specific to the Staff  
Identify clinical Repe Processes

(3)

we can remove them  
 So ~~you say this~~ <sup>can you say this</sup> ~~is~~ <sup>is</sup> ~~not~~ <sup>not</sup> allowed. I hear you had a clear.

2 cases 2015 - GID became a thing, I've paid for it  
 Didn't know on me that it wouldn't follow the ERS  
 my understanding: Reproduction - Life comes first

Don't minimize the work of  
 Don't get in the way of good work of  
 having children - No TL  
 No vasectomy  
 No IUD for Contraception

- IUS Discuss Contraception  
 Pro - work of God  
 work of man

Puddle - ERS Change say 8 yrs - evenly documented  
 This edition - same as 5th - Birthrights - Secular than  
 with Catholic Hospitals

~~we don't~~  
 We Don't do Gender Reassignment

If life threatening, then go ahead & document

They pull codes - one of 1 code ~~is~~ <sup>is</sup> found can do an  
 investigation. Pull up codes for these procedures

Procedures? - what is the best way for mms to know what  
 can & can not be done

Steve - You'll have to also say "we would do this for  
for these dx."

we do hysterectomies for lots of indications

Smith - need to be more transparent  
more specific  
to come to Clinton

(4)

monica - explicit on Gender Reassignment  
this "Removal Normal Organs" is a smoke screen -  
they don't have to say Get into miasma  
We believe you should stay the way you were born  
No matter what

We don't believe in Gender Reassignment

Remy Normal Organs

two Testicles - Kidney Donor - Altruistic  
Always about Reproduction

Can Remove testes post menopause -  
Does have to do with Prostate

Cosin - You have to stay the way you were born

Steve - misleading of Gender Reassignment

US - Gender Reassignment - Add a Penis to a female  
Add a Vagina to a male

Forus

For US Remy a uterus is not Gender Reassignment.  
Remy is a Dysphoric, Leads to psychological trauma

(5)

She came because is putting in order on  
that wasn't her to begin with

I would be in the trans gender community

This is what we believe, what we want to be  
won't to ~~how can we~~ provide care for the community

Similar possible? to come to ~~agreed~~ level of  
collaboration

Answer Yes.

Catholic Church doesn't believe in same sex relationships  
but when a lesbian couple desires, this is the 1st  
hospital to practice at that point from bonds  
on both parties

This is very close

I am not an expert

I do take care of the community

To community, come in

How can we provide care of ~~what we~~ <sup>the 1st thing we</sup> can need  
is to be a bit for the, make a plan, add a  
vague. GID dx

Community already knows you don't do abortions there

Convince them to walk in for a meeting so meet  
for whatever reason -

2015 -

~~Hand 15 to me to transport~~

monica - ones up in OB.

15 wks, DOM 60FIR

(6)
